Interested in a specific leadership position?

We have five distinct areas. (Make sure you have read about each area on our "Work" page before indicating your interest.) There is an opportunity to cross-train in more than one.

Please rate your interest in (by circling) the following opportunities:

	Least Interested				Most interested
Taproom	1	2	3	4	5
Serving beer, describing beer characteristics, cleaning, customer service					
Dining Car	1	2	3	4	5
Food running, taking orders, cleaning, communication with kitchen					
Event Center	1	2	3	4	5
Event setup, serving drinks, customer service, cleaning, event breakdown					
Wreck Room	1	2	3	4	5
Axe-throwing, serving beer, activity instruction, light power tool usage, monitoring safety, cleaning					
Production	1	2	3	4	5
CLEANING, kegging, canning, assisting Brewmaster Chuck					

General Information:

1. What interests you in working at Roundhouse?
2. Tell us more about why you are interested in the area(s) you chose.
3. Describe your previous work experience.
4. What two key contributions will you bring to the table as a member of our team?
5. What motivates you to do your best work?
6. Describe your perfect work environment.
7. Tell us about your favorite beer!
8. Tell us about a challenge in life or work that you have overcome, and how.

9. What is your availability?

Please tell us: a) when you are available to start, b) any non-negotiable unavailable days, c) your hours expectations (how much would you like to work?)

Area-Specific:

PLEASE NOTE: These questions are to help us gauge what role you might fit best on the team, but will not necessarily limit you.

TAPROOM

1. Describe your craft beer knowledge set.

DINING CAR

1. Tell us about your previous kitchen experience:

EVENT CENTER

1. In your opinion, what is the most important piece of information to know for an upcoming event?

2. Do you prefer working independently or in a team?

WRECK ROOM

1. Tell us about any teaching/coaching experience you have.

PRODUCTION

1. Have you worked with brewery equipment before? In what capacity?

2. Do you have any food and beverage safety training OR experience working with food-grade (or other) chemicals?
